When making payments by cash, the **correct** money should be enclosed in an envelope with child's name and the relevant permission / remittance slip. The school operates with minimum cash on our premises; if incorrect amount is enclosed surplus money will be allocated to your levy/account.

This money helps the school provide extra services and resources. School contributions per student in the amount of **\$60** will be allocated as follows:

Kindergarten/Pre-Primary		Primary	
Art and Craft	\$15	Class Activities (consumables, rewards)	\$15

CHARGES:

These are costs associated with special programs, excursions and other optional activities that are not covered by contributions and are relatively unchanged for 2017. The summary table on page one provides details of activities and an estimated upper limit (which may not be reached in all classes). Students can only participate if they have parental permission and have paid the charge, if payment is not received, an educational activity with similar outcome will be provided to that student.

PERSONAL ITEMS LIST (BOOK LIST)

This list covers items of a personal nature. Parents may purchase these items from their chosen retailer or use the nominated school supplier Campion. It is also important to note that students may need to top-up items over the year. Personal items lists will be distributed to all students via separate documentation.

LEEMING PRIMARY SCHOOL PARENTS & CITIZENS ASSOCIATION (P&C)

In 2017 the P&C will continue to fulfill its functions of representing parent views on issues affecting the educational experience of our children, running the Safety House committee, Lunch Orders and Uniform Shop and supporting school programs. In support of these activities the P&C will again be requesting **a contribution of \$60 per family** to be spent on items which the parent community believes to be of priority in enhancing our children's lives and opportunities at school.
