

## Leeming Primary School

### School Board

The Leeming Primary School Board was established in 2016. It provides advice and guidance to the school. The School Board supports the school with Strategic Planning. The Board meets twice a term, usually on a Tuesday night for approximately an hour. The meetings are very structured and sometimes pre-reading is required. Meetings are run to an agenda as set by the School Board Chair (Peita Alberti for 2018). The existing members have done an excellent job with the school's transition to Independent Public Schools status and the creation of our first Business Plan. Members on the Board have different tenures to ensure that there is consistency in its membership. With the retirement of Chair Charlotte Bramanis, there is an opportunity for a new Parent Representative on the Board. The tenure for the advertised position is until the end of 2019

If you would like to work with the school and have a say on the direction you think the school should be heading, this is your opportunity. Please send to me a short (no more than 1 page) Expression of Interest including what you may be able to 'bring to the board' by 07/08/18. If there is more than one nomination we will run through another election process and I will use your expression of interest as your 'Candidate Profile'.

I encourage all new families to consider this opportunity.

Thanking You

Clive
