

Constable Care Road Safety Facility and Kings Park

LEEMING TO: Parents of Students in Rooms: 10 and 11
PRIMARY SCHOOL

As part of our Health programme, we are visiting the Constable Care Road Safety Facility to ensure that our students are aware of road rules whether as a pedestrian or when riding a bike, scooter or skateboard. This excursion is a great opportunity for students to practice road safety rules in a controlled but realistic environment. With the increase in traffic along Farrington Road and the incidents of our students being involved in and nearly being injured in road accidents, it is vitally important that our students are educated in Road Safety. As part of the programme, the students will be riding bicycles around a network of roads at the Constable Care Road Safety Facility. Bike helmets will be provided. After the morning session, the students will travel to Kings Park by bus to have lunch.

Each class will require parent helpers. Please see your child's teacher if you would like to assist on the day.
