

STUDENT PARENT MEMORANDUM OF UNDERSTANDING
Connection and Use of Student Personal Device on the
Leeming Primary School Network.
V 3.0

Parties to the Memorandum

Student's Full Name : _____ (Student)

Parent's Full Name : _____ (Parent)

Preamble

This memorandum relates to the connection and use of a student owned personal device at Leeming Primary School. This memorandum describes the terms of the provisions including level of service and scope of services agreed to by Leeming Primary School, the student and the student's parent(s).

Conditions

The solution is supplied by Leeming Primary School to the student, based upon the following understanding:

1. The student will be responsible for the physical security of their personal device at all times.
2. The student devices will continue to abide by all conditions outlined in the Students Online – Acceptable Usage Policy.
3. The parent and or student will be responsible for ensuring that all software installed on the student device is fully licensed and meets all legal obligations.
4. The device and any software installed will be provided by the Parent and or Student.
5. The student's personal computing device must have installed the latest virus protection software and updates as used by DOE.
