P&C Succession Planning

Every year at the P&C AGM key positions are nominated and appointed to the generous parents who raise their hand to help.

We are already aware that in 2019 roles below will be vacated by current, outgoing parent volunteers.

- Treasure
- Fundraising coordinator
- School Banking

Please take the time to consider helping our school community. It would be wonderful to have parents raise their hand to help now to make for a smooth transition period. For more information please email, leemingprimaryschoolpandc@gmail.com

Online Auction - Donations are needed.

Items must be new but can be anything that you would want to buy (within reason). Businesses offering services or experiences are also welcome to be donated ie: movie tickets, gardening/mowing.

Excited to say we already have some great items!!

Movie night under the stars

Save the date Friday 23rd November an evening at the school. Bring a picnic, some rugs or bean bags and enjoy a movie night with your school community. We are in the final stages of selecting the movie advertising and ticket prices will be out soon.

There will be a sausage sizzle, popcorn and treats available on the night.

It will be a great social night for our school.
