LEEMING PRIMARY SCHOOL
2026 CONTRIBUTIONS AND CHARGES

Dear Parents / Caregivers,

The Education Act 1999 requires schools to notify parents of all contributions and charges prior to the start of the school year. As part of our ongoing commitment to providing a differentiated and engaging learning experience for all students, we have introduced a new item to our 2026 Contributions and Charges – **Subscription co-contribution**. This co-contribution of \$20 supports the provision of a range of online digital learning tools that our school uses to deliver a contemporary approach to education and importantly, allow access to students at home. Contributions and charges are divided into three areas: School Voluntary Contribution; Charges; and Personal Items, all of which must be approved by the School Board. The charges, contributions and personal items lists for 2026 have now been approved. A table summarising these costs is below with additional explanation provided on the reverse. **These costs are dependent upon involvement & it is unlikely that your child will take part in all activities throughout the year.**

If you have difficulty meeting these costs, please contact the Manager Corporate Services or Principal.

PAYMENT OPTIONS:

Charges and optional extra activities should be paid up-front. If this is not possible, please contact the school to discuss progressive payment. Credit balances for pre-payments/levy will be carried- over to the next school year up to year 6, unless advised otherwise.

If making payments by cash - the school operates with minimal cash on our premises; if incorrect amount is enclosed surplus money will be allocated to your levy/account.

ACCOUNT NAME: Leeming Primary School
BSB: 066 163
ACCOUNT NUMBER: 0090 0553
REFERENCE: Please use your child's SURNAME and FIRST INITIAL as the reference.

SCHOOL VOLUNTARY CONTRIBUTION:

This contribution supplements funding of educational programs; whilst contributions are voluntary, they maximise the quality of our teaching and learning program. This money helps the school provide extra services and resources. School contributions per student in the amount of **\$60** will be allocated as follows:

Kindergarten/Pre-Primary		Primary	
Art and Craft	\$15	Class Activities (consumables, rewards)	\$15
Learning experience equipment	\$15	Literacy Resources	\$15
Literacy Resources	\$15	Numeracy Resources	\$10
Cooking consumables	\$15	Computer Consumables	\$10
		Physical Education Resources	\$10

CHARGES:

These are costs associated with special programs, excursions and other optional activities that are not covered by contributions. Price rises have been unavoidable due to rising costs. The summary table on page one provides details of activities and an estimated upper limit (which may not be reached in all classes). Students can only participate if they have parental permission and have paid the charge, if payment is not received, an educational activity with similar outcome will be provided to that student.

PERSONAL ITEMS FOR STUDENT USE: BOOKLIST AND UNIFORMS

This list covers items of a personal nature. Parents may purchase these items from their chosen retailer or use the nominated school supplier who have discounted the personal items lists rather than the school receiving a financial return. It is also important to note that students may need to top-up items over the year. Personal items lists will be distributed to all students via separate documentation at a later date and will also be available for download from the school website.

Uniforms are required for all students from Kindergarten to Year 6. Uniforms are supplied by Uniform Concepts Willetton Super Store. More information and order forms are available at: <http://leemingsps.wa.edu.au/parent-information/uniforms/>

LEEMING PRIMARY SCHOOL PARENTS & CITIZENS ASSOCIATION (P&C)

The P&C will continue to fulfill its functions of representing parent views on issues affecting the educational experience of our children and supporting school programs. In support of these activities the P&C will again be requesting **a contribution of \$60 per family** to be spent on items which the parent community believes to be of priority in enhancing our children's lives and opportunities at school.
